OFFICE OF THE INSPECTOR-GENERAL OF REGISTRATION IN MYSORE, BANGALORE.

Notification No. C. 335—35-36, *dated 8th October* 1936.

In accordance with the provisions of Section 69 of the Mysore Registration Regulation 1903, as amended by Regulations VI of 1908, VII of 1921, III of 1922, XV of 1928 and VII of 1936, the following addition to Rule 3(e) of the Registration Rules approved by Government in their Order No. Fl. 2411-12—Regis. 6-36-2, dated 3rd—6th October 1936, is published.

> "When an occasion arises for a Special Sub-Registrar to go urgently on short leave and when the Taluk Sheristedar at the Head Quarters of a Taluk or the Deputy Amildar at the Head Quarters of a Sub-Taluk cannot assume charge of the Sub-Registry Office immediately, the Sub-Registrar may with the previous approval of the District Registrar hand over charge to the first clerk of his office who will perform the duties of Sub-Registrar till other arrangements are made."

S. ABDUL WAJID,
Inspector-General of Registration in Mysore.

OFFICE OF THE DIRECTOR OF INDUSTRIES AND COMMERCE IN MYSORE.

Notification No. C. 2-98—35-36, *dated 6th October* 1936.

It is hereby notified for the information of those dealing in Wireless goods that as per Government Order No. D. 1244-5—P. & T. 9-35-4, dated 14—15th August 1936, a license should be obtained in the prescribed form for dealing in such goods. They are hereby requested to apply to the undersigned and obtain the necessary license on payment of the prescribed fee of Rs. 10.

S. G. SASTRY,
Director of Industries and Commerce in Mysore.

DEPARTMENT OF MINES AND EXPLOSIVES.

OFFICE OF THE CHIEF INSPECTOR OF MINES AND EXPLOSIVES IN MYSORE.

Notification No. 763, *dated, Oorgaum, 5th October* 1936.

Instances have come to the notice of this Department where licensees manufacturing explosives, instead of doing so in the places indicated on their licenses do clandestinely manufacture them in their own dwelling houses or sale premises within closed doors during night time. As such places are generally situated on public roads in congested localities and since such a practice is liable to endanger public safety, persons in the know are requested to guard themselves against eventualities by promptly reporting the names of such licensees to the Local Police Authorities. This notice is published for general information in view of the approaching Deepavali Festival when the licensees are likely to transgress the conditions of their licenses owing to the demand for firework articles during the season.

Government in their Notification No. D. 2814—Geol. 66-28-25, dated 9th September 1930, have prohibited within the Mysore State the manufacture, possession and importation of any explosive consisting of containing sulphur or sulphuret in admixture with chlorate of potassium or any other chlorate.

Many accidents, caused during the illicit manufacture and handling of a variety of fireworks commonly knows as "Pattas" or "Bellulli Pattas"—throwdowns or small bombs—consisting of a mixture of Potassium chlorate (ಪೊಟಾಸ್ ಉಪ್ಪು) and Arsenic or Antimony Sulphide (ಮೀಣಸಿದ, ಹಂದಕ) or sulphur (ಗಂಧಕ) have come to the notice of this Department resulting in serious and sometimes fatal injuries to the persons manufacturing or handling the mixture, besides doing damage to property.

The mixture constitutes a highly dangerous explosive which is sensitive to friction, force [illegible] liable to ignite spontaneously.
